25X1

1. Attached as Tabs A, B, and C is the COMIREX approved First-Phase exploitation requirement for North Vietnam and the Sino-North Vietnamese border area. This supersedes all previously stated COMIREX first-phase readout requirements for the areas/targets involved.

2. It is requested that in consonance with reference b, DIA transmit this requirement to the [ ] commander for implementation through appropriate DoD channels.

25X1

3. It is requested that the NPIC implement this requirement as follows:

a. First-Phase exploitation of USIB-tasked Penetration Programs over the areas/targets involved.

b. Second-Phase exploitation of all imagery covering the area involved for any refinements or changes resulting from a more considered analysis. This Second-Phase review should be expanded to include the remaining active COMIREX collection objectives and a total mission review for new or significant change information.
